

People and Other Blessings in My Day

Where I Didn't Love

Monday, 10/15

- *Mommy was scared about the test she had to take at work. I prayed for her, and everything went great for her!*
- *Daddy jumped on the trampoline with us for an hour last night. Stories. Games. Oh, how fun!*
- *Sherrí called me names on the playground and took my friends away. I prayed for her. Later, when she dropped her sandwich, I shared mine with her.*
- *I saw that poor man walking downtown. God, please give him a warm place to stay, food, and love.*

Tuesday, 10/15

- *I was really scared to get my shots. I remembered how Jesus was scared in the garden. I prayed to him for help. The shots are done!*
- *Mae and I wanted the same doll, and I took the other one so she could be happy.*
- *I couldn't figure out what to give Daddy for his birthday. I prayed. A good idea came to me!*

- *Mom wanted to know who made the hole in the couch. We kids were all quiet. I was the one that did it. Now Mom might think it was somebody who didn't do it.*
- *I snuck cookies.*
- *I'm not supposed to listen to my iPod in bed at night, and I snuck that last night.*
- *I wanted to go out and play. Mommy said I had to do chores. I acted mad to her all day.*
- *Joey was calling me names and I hit him.*
